

Lesley Aine McKeown - The Expressive Jeweler

Due to the spontaneous nature of the class, I advise you to bring a selection of other metals in whatever forms you like to use. If you wish to use gold, Bimetal, keum boo or other metals, bring those too. I will have a collection of designer cabochons available for purchase and some sterling metals and findings in case of emergencies. If you have questions please do not hesitate to reach out to me:

lesleyainemckeown@gmail.com
